This is not a turn-in assignment

Given this HTML code:

```
<h2>Welcome!</h2>

<ul id="main-links">
    <li><a href="...">Home</a></li>
    <li><a href="...">About</a></li>
    <li><a href="...">Shop</a></li>
</ul>

<p>
    Lorem ipsum dolor sit amet, consectetur adipiscing elit.
    <span class="highlight">Donec a diam lectus. Sed sit amet ipsum
    mauris.</span>
</p>
```

Write out the following styles:

1. Set the h2 tag to have blue text with `color: #0000FF;`

2. Set anything with the id of "main-links" to have grey text with `color: #666666;`

3. Set only spans with the class "highlight" to have a yellow background with `background: #FFFF00;`
